Tumkur, closepet, Ranjangud, Doddaballapur, Chickaballapur, Siddlaghatta and Devanahalli. It is also stated that [illegible] Head-Quarte stations are under the consideration of Govt.

4 A draft circular letter as directed above is submitted for approval and orders. The realization from the sale of these lambdas would go to the municipal funds. If they are distributed they would lose to that extent.

5 If any Municipal Commissioners desire such lambdas they may be supplied on indent.

Office of the Deputy Commissioner,

No.D2.167/A.C. Mysore District,

Dated, Mysore, 16/17th January 1929.

Dear Sir,

In reply to your D.O.No.2983 dated 13th instant, regarding the supply to the Village Panchayets of Municipal lanterns which become available after the installation of electric lights in Municipal Towns, I write to state that Seringapatam and Nanjangud will have electric lights in the near future. The lanterns and poles which becomeavailable when service is given to these places will be offered to the Village Panchayets and other Municipalities on a fair valuation as the two Bodies are quite different and have separate revenue of their own.

I have written to the Presidents of some important minor Municipalities and to some of the Amildars to let me know the number of lanters required for the Municipalities and Village Panchayets respectively.

Yours sincerely,

Sd.K.V.Anantaraman.
